

Certificate

Berlin, 2025-12-01
page 1/2

Within a certification audit the organization

Zeppelin GmbH

at the site **Graf-Zeppelin-Platz 1, 85748 Garching**
and the further scope according to the appendix
has proved that a quality management system was established and is successfully applied in
accordance with the requirements of the international standard

DIN EN ISO 9001

Issue of September 2015

for the following activity

Solution provider for sales and service of construction machinery; machinery and equipment rental, construction site equipment, construction site and traffic safety, construction logistics and modular construction; sales, engineering, manufacturing and service of equipment for storing, conveying and mixing products; sales and service of drive and energy systems; Training center and services for non-destructive material testing in industry, services in the field of occupational safety

This certificate is a seamless continuation of the previous certificate and is valid from 2025-12-08 until 2028-12-07.
